---

### SUMMARY

Highly motivated and goal-driven Front-End Developer with 1 year of experience, including freelance projects. Passionate about building modern, responsive, and user-friendly web applications using React, JavaScript, HTML, and CSS. Constantly striving to improve my skills, explore new technologies, and create impactful solutions. I thrive in fast-paced environments, adapt quickly to new challenges, and am always eager to grow both technically and professionally. Seeking an opportunity in a dynamic team where I can contribute my expertise while continuing to develop as a React developer.

---

### EDUCATION

Hillel IT School      **Front-end Pro**

Hillel IT School      **Front-end Basic**

ONMA named  
Nezhdanovoi      **Violinist (Master's degree)**

---

### PORTFOLIO

#### Keksobooking

Keksobooking is a vanilla JavaScript project with a Node.js backend, designed for renting and listing properties.
